Dallas, TX | +1 (469) 570-0517 | bumerdene.g@gmail.com | linkedin.com/in/buma-gantulga

PROFESSIONAL SUMMARY

Self-taught full-stack developer with strong foundations in Java, JavaScript, Node.js, Express, React, and PostgreSQL. Experienced building web applications, RESTful APIs, and responsive user interfaces through independent learning and hands-on projects. Brings a unique edge from 3+ years of legal case management and 3 years of operations leadership — combining analytical problem-solving, documentation precision, and stakeholder communication with engineering skills. Passionate about building scalable digital products and continuously learning modern engineering practices.

TECHNICAL SKILLS

Languages: Java, JavaScript (ES6+), HTML5, CSS3, SQL

Frontend: React.js, jQuery, Responsive Design, EJS

Backend: Node.js, Express.js, REST API Development

Databases: PostgreSQL, Relational Databases

Tools & Practices: Git, GitHub, Agile Development, SDLC

SOFTWARE PROJECTS

Full Stack Blog Platform

- Developed a full-featured web application enabling users to create, edit, delete, and manage posts with persistent storage using Node.js, Express, EJS, and PostgreSQL.
- Implemented RESTful routing, session management, and database integration following MVC architecture principles.

React Task Manager

- Built an interactive task management application using React with component-based architecture, hooks, and local state management.
- Designed a clean, responsive UI with real-time updates, task filtering, and completion tracking.

REST API Application

- Designed and implemented RESTful backend services supporting full CRUD operations with PostgreSQL database integration and structured JSON responses.

PROFESSIONAL EXPERIENCE

Immigration Paralegal | **Berry Appleman & Leiden LLP** — Richardson, TX *Aug 2022 – Sept 2025*

- Managed end-to-end employment-based immigration cases including H-1B, PERM, I-140, Adjustment of Status, and EAD filings across a high-volume caseload.
- Drafted immigration petitions, legal support letters, and government forms for submission to USCIS and DOL with high accuracy and compliance standards.
- Coordinated with attorneys and clients to collect documentation, explain timelines, and deliver case updates — developing strong written and verbal communication skills applicable to technical client-facing roles.
- Maintained detailed records and case tracking systems, demonstrating meticulous attention to data integrity and documentation — directly transferable to software quality assurance and product management.

Operations Manager | **Kura Sushi USA** — Plano, TX *Aug 2018 – Aug 2021*

- Managed daily operations of a high-volume restaurant with a 40–50 person team, overseeing scheduling, labor optimization, and performance management.
- Led full-cycle recruitment, onboarding, and training programs, building cross-functional coordination skills relevant to Agile team environments.
- Resolved customer escalations and operational challenges under pressure, demonstrating problem-solving skills and a results-driven mindset.
